INSTRUCTIONS - LETTER OF RECOMMENDATION

NSF REU "Summer Research Projects in Neuroscience" at the University of Missouri-Columbia

Application Deadline: January 15, 2018
Program Dates: May 23 to July 27, 2018

TO THE PERSON WRITING THIS RECOMMENDATION:

The applicant is being considered for participation in an NSF Research Experience for Undergraduates (REU) program, at the University of Missouri-Columbia (MU). The 9-week summer experience provides an opportunity for interdisciplinary research in neuroscience that spans the range from intracellular, cellular, systems and behavioral levels. Students will also get 1 hr credit for the course “Computational Neuroscience.” Additional information can be found at the site http://engineering.missouri.edu/neuroreu/. The student does not need to have a strong background in math, but should be interested in the role of computation/math in biology.

In your comments, pl. include how long you have known the student and in what capacity. Please then comment on the student’s intellectual ability, accomplishments in undergraduate coursework and/or independent research, ability to function in a team environment, maturity of mind, and character.

A scanned copy of your letter on university letterhead should be sent to mizzoureu@gmail.com (preferred)

OR you can fax/mail a hard-copy to (do not send email to Dr. Nair):
Dr. Satish S. Nair
