## FIRST Scholarships

The University of Missouri is proud to partner with FIRST to offer scholarships to students who have participated on a FIRST Robotics Competition (FRC) team or FIRST Tech Challenge (FTC) team for at least one full season in high school. Yearly, four \$500 renewable, merit-based scholarships are offered to students and are paired with the College of Engineering \$1,000 Merit award or the \$2,000 Achievement award.

### Criteria for receiving award:

- Scholarships will be awarded to students who have participated on a FIRST Robotics Competition (FRC) or FIRST Tech Challenge (FTC) team for at least one full season in high school.
- Applicant must be accepted for admission to the University of Missouri and complete an online Student Financial Aid application. <http://admissions.missouri.edu/howtoapply/index.php>
- Applicant must have outstanding academic credentials with minimum Composite and Math ACT scores of 28 or greater and high school class rank in the upper 15 percentile of high school graduating class. In meeting these requirements, the applicant will also receive the College of Engineering Merit (\$1,000) or Achievement (\$2,000) Scholarship. <http://engineering.missouri.edu/scholarships/>
- For consideration, the applicant must submit a short essay (500 words or less) regarding his/her FIRST involvement and email it to the attention of the College of Engineering Scholarship Coordinator at [adamsmj@missouri.edu](mailto:adamsmj@missouri.edu). Entitle your email "FIRST Essay." Include your team name and number at the top of your essay, which is due March 1<sup>st</sup>. A letter of recommendation from a FIRST team mentor must also be submitted via email. Applicant will be notified via email no later than April 1<sup>st</sup> if the award will be made.
- Renewal of award will be automatic each year contingent upon maintaining a 3.4 GPA, calculated at the end of each academic year, and meeting standard College of Engineering scholarship requirements.
