

Mizzou ENGINEERING

University of Missouri

FIRST Scholarships

All materials must be received by February 1st

The University of Missouri is proud to partner with FIRST to offer scholarships to students who have participated on a FIRST Robotics Competition (FRC) team or FIRST Tech Challenge (FTC) team for at least one full season in high school. Yearly, four \$500 renewable, merit -based scholarships are offered to students and are paired with additional College of Engineering scholarships.

Criteria for receiving award:

- Scholarships will be awarded to students who have participated on a FIRST Robotics Competition (FRC) or FIRST Tech Challenge (FTC) team for at least one full season in high school.
- Applicant must be accepted for admission to the University of Missouri and complete an online Student Financial Aid application. <http://admissions.missouri.edu/howtoapply/index.php>.
- Applicants must apply for campus scholarships by December 15th to be considered for a FIRST Scholarship. Please visit your <https://myzou.missouri.edu> to apply.
- Applicant must have outstanding academic credentials with a minimum Composite and Math ACT scores of 28.
- For consideration, the applicant must submit a short essay (500 words or less) regarding his/her FIRST involvement. Entitle your email "FIRST Essay." Include your name, your MU assigned Student ID, and your FIRST team name and number at the top of your essay. A letter of recommendation from a FIRST team mentor or coach must also be submitted via email. Applicant will be notified via email in February if the award will be made. **Essay and letter are due February 1st** by email to the attention of the College of Engineering Scholarship Coordinator at RalphHM@missouri.edu.
- Renewal of award will be automatic each year contingent upon maintaining a 3.5 GPA, calculated at the end of each academic year, and meeting standard College of Engineering scholarship requirements.
